Marks presentation will address 3 key aspects of Rotary membership

How did we get ourselves into this membership crisis ?

How do we get ourselves out of this membership crisis ?

How do we remove barriers to change within our Rotary Clubs ?

A note from our President

Hopefully, you will share my enthusiasm for this event and the potential prospects. It is an opportunity for Central Coast Rotarians and partners to come together for the first time in many years for a night of fellowship and fun. The night will provide 'qualified' food for thought to take to our Clubs to help determine our best way forward in these challenging times for Rotary membership.

May I ask and urge all of us to give this event the highest possible priority and promotion in our club communications between now and 22nd Feb ... and encourage members and partners to attend.
